

REACH STATEMENT

REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

As a responsible supplier to many major customers, we have reviewed the regulations to understand our responsibilities.

We have proactively contacted all of our suppliers to ensure that they are aware of the regulations and based on their responses, to the best of our knowledge none of the items that we sell contain any of the SVHC substances currently included in the REACH regulation.

As a distributor of electronic components Genalog Limited is not involved in the manufacture of products we supply. We therefore are not responsible for registering any items under these regulations.

If we become aware of any products that are affected by the REACH regulation, we will communicate this to our customers concerned.

The contact at Genalog Limited for any issues relative to REACH will be the undersigned and is contactable by e-mail. Email [The Genalog Quality Manager](mailto:Quality Manager@genalog.com)
