Genalog  
VALUE ADDED

Our in-house capabilities combined with our technical knowledge and quality procedures enable us to provide:

- Cable assemblies from IDC to complex harnesses. One off prototypes to production volumes.
- Pin headers and socket strips any size, pitch and termination, cut from stock with no MOQ's or pack sizes in most cases.
- Cable and heatshrink in lengths from 1mm to 100mm available in 1mm increments.
- Connectors modified to customers specification.

With our depth of experience we are able to offer a solution to customers' specific problems.
