RoHS 3 (EU Directive 2015/863) / WEEE

RoHS (Restriction of Hazardous Substances) and WEEE (Waste Electrical and Electronic Equipment) requirements are laid out by the EU.

Not all industry sectors are subject to this legislation, and as Genalog supplies and stocks both RoHS and non-RoHS product, customers must specify their requirements at the time of enquiry/order. Compliance of product is indicated on our order acknowledgments, delivery paperwork and invoices.

If you have any specific requests or concerns regarding any components supplied by Genalog, please Email The Genalog Quality Manager
